A good entry for the mid of June, and a quality show of cattle with the recent drop of price in the prime making no difference in the store prices today. The big cattle on fire with EE & WM Rees topping the day with a Lim x steer at £1880. Herefords from the same home to £1740. I'm sure they'll spend the money wisely in Krakow!!

Dairy bred blues to £1160 with 19m Charolais to £1400, Younger Charolais steers to £1240.

Charolais heifers topped the heifers at £1500 from D J Davies. Herefords from T T Owens to £1480 and £1430 with dairy bred Blues to £1475. One Hereford bull sold to £1820 from H Pittam & Partners.

More cattle needed in two weeks' time please, with the trade showing no signs of easing!
