241 CULL EWES & RAMS (avg £75.97)

A good show of ewes with “empties” being pushed out. Trade was very selective with some types down £10/head on the week. This is in line with national prices where a big number of ewes have been pushed out to market up and down the country.

Best continental types continued to soar with Texels from DRW Jones selling to £148 and £132. D L & M Jones sold their best ewe to £136 with rams making £104 from A Davies. Leaner and plain ewe’s generally harder work.
