AMC - Providing Certainty In Such Uncertain Times

With uncertainties of a Post Brexit / Post Covid economy now compounded by concern over the possible implications of the Russian invasion of Ukraine, many may be seeking ways to make their businesses more robust, to face whatever the future may bring. Often referred to as “price takers rather than price makers”, farm businesses often have little control over prices received for their commodities and so it would seem logical to focus on the costs / outgoings of the business, that can be directly influenced, such as finance costs. During such uncertain times, the long-standing unique selling of an AMC facility are perhaps more valuable than ever and it is therefore worth a reminder of what AMC can offer, in terms of long-term stability, which may currently be lacking in the offering of a high street lender.

A Commitment for the Term of the Loan

While many lenders insist upon reviews throughout the loan term (often including a review of the initial decision to lend), AMC offer a commitment for the term of the loan.

Repayment Terms of up to 30 years

While the future looks so uncertain, minimising the monthly financial commitments can offer more resilience to such volatility. On a similar rate of interest, the difference between a 20-year term and a 30-year term can be as much as £1,000/m for every £750,000 borrowed. This, combined with the ability to make additional capital repayments (to a variable rate loan), offers maximum flexibility.

Long Term Interest Only Loans of up to 30 years

Borrowing on a long-term interest-only basis, while existing commitments are being repaid, can make the time-specific opportunity to buy neighbouring land much more comfortably affordable and can leave the next generation with a more viable business.

Long Term Fixed Rates

AMC are one of the few lenders to still offer long term fixed rates of anything up to 30 years. While fixed rates have recently increased, they still look attractive in comparison to historical interest rates and can offer the certainty of knowing what the monthly commitments will be, regardless of what happens in the wider economy.

If you are interested in discussing what AMC could offer your business, either to finance a new venture or by restructuring existing debt, speak to Rob McCabe on telephone **01746 762666**.
