284 BREEDING EWES

A large crowd gathered for the breeding sheep section and it was mainly due to Keith Jones dispersing his well-bred flock of sheep. Trade was very brisk for all Keith's types with Texel yearling topping at £190. Mule yearling sold to £180 with 3-year Glamorgan Welsh X also from K Jones selling at £150. H H continued his fine form this Autumn getting 4 pens of mules to £160 and Suffolks to £150. His next problem is, what is he going to do with all this money!! May I take the opportunity to thank Keith for his kind instructions and thank him and Helen for their custom in recent years! It has been a pleasure to sell their high-quality lambs and wish them the best of luck with their well-established beef Shorthorn pedigree herd!
