NEW APPOINTMENT

DAFYDD WATERS

Nock Deighton LLP are delighted to announce the appointment of Dafydd as a trainee auctioneer and fieldsman. His main duties will involve procurement of cattle and sheep to Carmarthen market.

I'm a local farmers son from Llangain Carmarthen, Following my studies at Bro Myrddin school where I was head boy, I am keen to learn the auctioneering role before heading to university later on this year!

I am a keen rugby player for St Clears and Carmarthen Quins where I play as a full back. When I'm not on the rugby field I'm busy at home on our beef and sheep farm where we have recently established our pedigree Dutch Spotted flock.

I'm looking forward to meeting new customers and building relationships with farmers and buyers.
