393 PRIME LAMBS (AVG 260.57 p/kg)

Strong lamb numbers again this week as the lambs certainly no more on the week, just in line with the last few weeks. Lambs generally trading either side of 270ppk with highs of 278ppk for 42 kg lambs from Jones Penylan, £118 in the lump. Highs of £130 for heavy Texel sorts from Jones Penylan once again with others to £128 from Morris Pencwarre. Texel bred lambs from Griffiths Y Glyn sold to £125.50 whilst plenty of lambs over £120 on the day. Premium certainly paid for well finished lambs whilst once again the lean lambs better sold in the store section, otherwise a large reduction in p/kg paid for them. Orders remain steady over the next few weeks with lambs every Thursday at Emlyn at 12 mid-day!! Diolch.
