Consistent numbers once again with Emlyn proving to be very competitive selling all types of cattle to a full ring of buyers. Time of year has seen a large volume of stores turned to market nationally and trade would be slightly easier on the whole in comparison to two weeks ago, however brisk bidding was seen from start to finish.

B Thomas & Son sold an excellent run of stores to highs of £1390 with Angus from the same home to £1360. Herefords to £1350 and Charolais to £1300. Weaned Charolais steers from C James saw high demand with the best at 8 months old flying over £1000.

BB heifer from E T Williams & Son sold to £1430 who also had Lims at £1360. Fleshy Angus from TT Owens sold to £1320. Plenty others over £1300 with all stores including a few leaner type's forward today levelled out at £1105.22.
