## Prime Cattle Report (Red)

**Auctioneer - Mark Burgoyne 07831 192603**

### 131 PRIME CATTLE

The cornfields were much busier than the cattle market today, with the smallest entry of clean beef for many years. Those vendors that did manage to get away from combining and baling etc. were very well rewarded as an absolutely blistering trade resulted. Many regular orders were left partially filled or not started at all in some cases.

All heifers and steers sold well above vendor expectations, with our trade 20p/kg above Monday reports. Steers were almost non-existent selling to 248p/kg or £1739 in the lump. Butchers heifers, in fact all heifers, met fantastic competition selling above or to 250p/kg on twelve occasions. 259p/kg was achieved on two occasions.

Bull trade was variable much like the quality of the cattle penned. There were plenty of Holsteins lacking meat and size and only a sprinkling of best types which sold to 233p/kg. Well-finished Holsteins sold easily to a top of 188p/kg.

### 16 COWS & 2 STOCK BULLS OV. AV. 120P/KG

A small sample here saw trade very similar but with no best meat cows forward. Saler cows sold to 161p/kg for 624kg, with Limousin to 159p/kg for 590kg. Holstein cows were plain sorts selling to 98p/kg.

Limousin cross, non-FABBL bulls sold to 116p/kg for 762kg, with 1124kg Herefords to 114p/kg.

### 67 CLEAN CATTLE

Only 6 steers sold to average 221p/kg. Handy weight Limousins from Dave Chilton sold to 248p/kg, 240p/kg and 233p/kg all around 560kg. Heavy Blondes 780kg sold to 223p/kg from John Hammond, with 600kg Charolais to 216p/kg from Robert Charles. Over-age 754kg Montbeliarde off grass sold to 179p/kg for Richard Ince. MORE STEERS NEEDED.

61 heifers sold to average 225p/kg. The 260p/kg barrier was not breached today but Steve Perkins and Dave Chilton both sold to 259p/kg for 446kg and 462kg Lims respectively. 556kg British Blues from Richard Morgan hit 256p/kg. 470kg Lims from Jean Kirkham sold to 255p/kg. Neil Dalton's nice run sold to 250p/kg (x2), 252p/kg and to a high of 254p/kg, all over 500kg. 480kg Blondes from Julian Aston sold to 252p/kg. 580kg Limousin sold to 250p/kg from Dave Preece.

## 64 YOUNG BULLS SOLD TO AV. 176P/KG

44 bulls were Holsteins, Friesians or dairy Shorthorns and are included in the overall bull average. A cracking run of 10 British Blues from George Morris helped boost averages selling to 233p/kg for 566kg, with the bunch averaging 224p/kg. Limousins from Graham Johnson sold to 226p/kg for 588kg.

Two Friesians from Dave Evans topped the black and whites at 188p/kg and 186p/kg, with Frank Povall and Richard Bebb both achieving 184p/kg. 96p/kg and 97p/kg 'specials' are included in these figures.
