

# CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 27.4.22

## 16 DAIRY CATTLE

**Auctioneer – Llŷr Jones – 07812 934964**

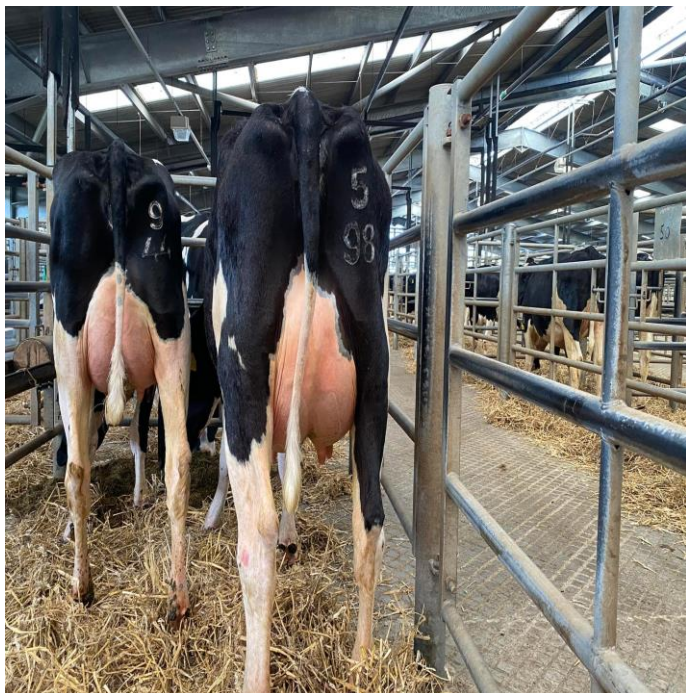

A very promising entry of heifers and cows and a huge thanks to all vendors for their support. We hope to build on these numbers in the coming weeks. I would also like to thank all buyers for making it a very successful days trading. A strong trade was seen throughout with a well balanced 2<sup>nd</sup> calver “Cowindale Lineman Pet” from JR Morse sailing to a top of £2250. “Cardsland Numero”, daughter of “Cardsland Numero Rockette” topped the heifers at £1980 from TYB Farms Ltd. A red and white heifer from AW & A Harries sold to £1800. DR, HW & AM Hughes showed 7 wonderful Montbeliadre x heifers which created a lot of interest. Best of the heifers sold to £1850 with two others at £1700.

We are considering going fortnightly on the dairy sale to build momentum here at Carmarthen mart. If you have Fresh dairy or young stock to sell, please get in touch.
