

# CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 11.04.22

**MONDAY, 11<sup>TH</sup> APRIL 2022**

## **75 ORANGE RESTRICTED CATTLE**

A very positive day for our first orange sale with strong buying support for all types of cattle. The high prices witnesses will give farmers confidence to sell tb restricted store cattle at our next sale in May.

Big cattle were no less than a normal green market prices with a number of buyers wanting those short term types. RJ Richards showed a wonderful run of dairy bred BB's with his best heifer reaching £1720 and his steer getting to £1710. Other heifers to £1690 from the same home. AH Prichard & Son also supported the sale well with their 40 head of mainly 18 month old dairy bred cattle meeting a brisk trade with 26 month old friesian reaching £1090 and others to £1030.

R & J Evans showed faith in the sale with mainly younger sorts selling reasonably well considering the longer term costs. 5 month Angus stores sold to £350 with his yearling BB heifer from the same home selling to £460.

A first day in the saddle selling cattle at Carmarthen mart for myself. A big thank you to vendors and buyers for your continued support.

A good entry of cattle with types to suit all budgets. The strong fleshy cattle were a 'real' trade with two storming Limmie bullocks from Morris & Davies selling to £1850. Another super Lim bullock from PE & JR Williams selling to £1760. Best of the Angus steers sold to £1280 from E Griffiths, A shapey Saler bullock sold to £1210 from Tony Powell, with best of the Friesians selling to £1140 from BT Thomas. 11m Charolais bullocks to £1000. The young dairy bred cattle saw some resistance at times with current farming costs certainly holding some farmers back from buying.

Lim Heifers topped at £1610 from Morris & Davies with BB's from the same home to £1510. 25month feeding Charolais to £1310 from D M Bevan with best of the Natives to £1250 from EG Davies.

Fleshy Simmie heifers sold to £1220 from VE Thomas & Co with dairy bred BB's to £1160 from E Griffiths. Younger suckler bred heifers trading between £1000 and £1100 with plenty of dairy bred types £900 - £1000 today.

Feeding bulls sent highs of £1110 from J L Edmunds for a 19 month old Charolais.

200 plus store cattle needed weekly please. Diolch.
