112 DAIRY

Auctioneer – Llyr Jones 07812934964

A very impressive entry following last week show & sale bonanza! Trade just as hot or even hotter than the weather with several consignments averaging over £2000 this week. Top of the day was a 3rd calver from the Griffiths Family, Blaengorse which flew to £2700, with others from the same home to £2620. 2nd calver from JA & E Phillips looked well sold at £2600 with some super Friesian type individuals from DJ MD & SG Lewis finding new homes at £2350. All cows levelled at just shy of £1900. Fresh heifers met a wonderful trade with another quality entry as R & M Lougher sold a 'Mercedes' daughter to £2600. Commercial heifers from ED & AA Davies sold next at £2550, with plenty of the £2400 today! All heifers including faults came back at £2025 average similar on the week. A boost in youngstock numbers this week which drew a large interest with in-calf heifers due in a couple of months selling to £1530 from E Davies, which sold bullers to £1240. Heifer calves sold to £160 from EH & JC Thomas.

Thanks to all vendors and purchasers for your continued support. Next week we welcome a herd dispersal of 60 all year round calving Holstein Friesians from WA Jones & Co, Dolbeudy. A tremendous group of cows that would go on to any herd system!
