103 DAIRY

Auctioneer – Llyr Jones 07812934964

Tremendous numbers after the big sale on Monday with plenty of interest in all dairy departments. Two heifer calves from HR Lewis kicked things off selling to £225 each, then on to the milkers where second quality would be slightly less on the week. However, those better-bred heifers hit highs of £2720 for a fresh Rubicon daughter from AJ & DP Boucher. LA Jones sold next at £2500 with plenty of heifers over the £2200 barrier and all 41 fresh heifers levelling at £1749.02. The Boucher family hit top levels on two fresh cows, both giving oceans of milk selling at £2300 with again plenty over £2200 and cows coming back at an average of £1880.43 all in. An impressive run of 37 in calf heifers from OM Davies & Sons drew a large following of buyers with October to February calvers selling to highs of £2100 and another four heifers over £2000. Diolch i bawb am eich cefnogaeth parhaus. A big thanks to everyone for your continued support as we look forward to next Wednesday. Entries for the catalogue needed by 12noon Monday 7th of October.
