

CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 06/03/24

137 DAIRY

Auctioneer – Llŷr Jones 07812934964

A big show of cows which included the second part dispersal of cows from the Mead Lodge milking herd on behalf of the Morgan family. The weekly entry consisted of over 50 freshly calved heifers and cows which sold on similar levels to previous weeks. Only one heifer selling over the £2000 barrier today from R & M Lougher. A very well-balanced heifer giving over 32kg a day. Other heifers to £1980 from E T James & Co. Brynllan continued their dispersal of cows topping the day's trading at £2380. Cows levelled at £1780.34 and heifers at £1688.63. 6 heifer calves from CGMT LTD all sold at £180/head.

The second part dispersal on behalf of the Morgan family, Mead Lodge was well supported with the majority of the cows forward this week calved end of last summer. These well managed cows sold very well with the best cows reaching £1800 on several occasions, with all cows (including some with faults) achieving a very respectable average of £1177.87.

We would like to thank the Morgan family for their kind instructions and look forward to seeing more cows from Mead Lodge in the near future!!
