

# CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 29.04.22

## Market Report 29<sup>th</sup> April 2022

### 34 CULL COWS (Overall average 179p/kg)

**Auctioneer – Mark Burgoyne 07831 192603**

More numbers forward with some better types meat wise and a betting trade from start to finish. Buyers were still looking for cows to keep and feed alongside abattoir cattle.

Some tidy Limousin cows sold to 227 and 220p/kg from Davies, Gwelyrhaul and Jenkins, Cathal, with 750kg Limmies to £1702.50. The dairy barren trade was phenomenal, with young cows to 211p/kg from Morse, Capel Farm with his 940kg selling to a stunning £1833 !! Other Friesian's sailed to 210p/kg from Thomas, Syddyn Farm.

Thick meated Hereford cows sold well to £1255.80 for 690kg to Jones, Pengwern Farm with young black Hereford cross to £1235.20 (640kg) from Jones, Pencaerau Bach.

Plainer cows perhaps dearer than anything – to 157p/kg. 6 buyers looking for cows and stock bulls each Friday. Do not load your cows and send direct at the present time – you simply cannot value their worth at present !!!

**Please try and arrive in time for a prompt 10.a.m start so buyers can arrive at awaiting abattoirs in good time.**

### Leading Prices:

£1235.20	640kg	45m	HEX	Jones, Pencaerau Bach

### 102 STORE CATTLE

A fast trade on the stronger cattle as seen in recent weeks but with smaller stores struggling unless they were correct for age and size, with a bit of conformation also.

Williams, Penralltfagnor sold to £1775 for his strong Limousin heifer at 25m, with Davies, Glancarw selling angus cross steers to £1550 and Limousins to £1365 and £1320 from the same farm. Howell, Manor Court and Jones, Great Lunnon Farm both sold their Limousin heifers to £1315.

We continue to see new faces and farmers coming back to Carmarthen Mart – this new venture welcomes your support and it is greatly appreciated. Diolch yn fawr.

**Remember, store cattle and barren every Friday in Carmarthen. 10.am start on the cows.**

### **FREE Wool Tests for Farmers in Wales**

Dear Stakeholders

The Made with Wool project is intended to bring Welsh Wool stakeholders together to realise the potential of wool as a natural, sustainable and versatile material, by building on it's rich heritage, enhancing understanding, facilitating collaboration and offering innovative product solutions to current challenges.

As part of the project we are offering Free Wool tests to farmers and Wool producers in Wales. We would appreciate it if you could share this email with your contacts.

To order your free wool testing kit visit our website or contact us!  
(Details below)

If you have any queries in the meantime, please do not hesitate to contact us.
