134 DAIRY

Auctioneer – Llyr Jones 07812934964

A spectacular dairy mart to finish the year off with plenty of interest seen in every section. The day started with close to 70 fresh very well sold, albeit not to last weeks highs but consistently in the £2000-£3000 bracket. Top call of the day came from Breeze farms LTD, a super rubels red Sheila giving 36kg a day backed by 5 gens. She sold to £3100 with a rainstorm red daughter from Davies & Co selling to £3000. Plenty over the £2500 here this week with the plainer sorts harder to place at times. All heifers levelled out at £2080 including $\frac{3}{4}$ and slow milkers!!

A 2nd calver from Davies & Co topped the weekly cow section at £2750 with several individuals over £2000 and cows coming back at an average of over £2100. Dry cows from S Edwards & Son sold to £1400 with in calf heifers from I Preece to £1300. A run of 25 mid lactation cows sold to highs of £720 from D H & R M Morgan with the general run £600-£700.

To finish the sale off we had the pleasure of selling D A Williams & Sons, Cilcert first part dispersal and what a way to finish the year off!! A truly wonderful herd of cows selling to highs of £3000 twice for 2nd calvers with best heifer selling to £2900. All cows from the Williams family came back at a very impressive £2316 average, A well supported sale and we would like to thank Huw, John and Ann Williams for their kind instructions and look forward for their next part dispersal in January.

A big thanks to all vendors, Purchasers and staff for all your support and hard work throughout 2024!

We look forward to seeing you all in 2025.
