### **Auctioneer – Llyr Jones 07812934964**

Big weekly numbers which included the dispersal sale of milkers from P & E J Morris & Sons which was very well supported from start to finish!! A credit to Eirian and Nigel and family for well bred “bombproof” cows which I’m sure are going to go on and do well in their purchased hands!! November and October calvers topped at £2650 and £2500 with a lot of cows in their 5<sup>th</sup> to 7<sup>th</sup> lactations which is a credit to the family, selling consistently £1700-£1850. Mid lactation cows generally £1300-£1500 and we thank the Morris family for their kind instructions and wish them the best towards the future.
