### 3 OTM COWS

#### **Auctioneer – Llyr Jones 07812 934964**

A disappointing entry of cows considering the trade in Emlyn over the previous weeks and months. The word nationally is that OTM cows are in short supply and cow prices are on the up every week. Three plain foreign Friesian cows sold with the best-selling to 95p/kg and came to £636.50 in the lump from Dai Driscoll. More cows next week please!

### 84 CALVES

#### **Auctioneer – Llyr Jones 07812 934964**

It was excellent to see a regular calf number this week and a brisk trade was again seen showing that there is no need to travel your calves far! J Lloyd Lewis sold a super BB bull calf to £290 with DJ Davies & Sons selling the best of their box load to £280. Best of the native breeds saw a super Hereford bull from LJ Phillips & Son to £280. A Limmie from John Lloyd sold to £220 with others to £200. Friesian bulls peaked at £50 with a high number of light thinner Friesians well sold from £20-£40.

Heifer calves were the pick of the trade this morning with John Lloyd topping the trade with his BB at £275. Euryl Rees & family sold his best BB heifer to £268 with others over £250. Limmies to £200 and best of the Hereford heifers to £175.

Three pens full of weaned calves followed the baby calves and trade was very firm with 6-9month old BB bulls selling to £520 from GVP Thomas. Brynley Davies sold his younger BBs to £365 and others to £350.

With spring around the corner a premium is always seen for weaned calves at Newcastle Emlyn every week on a Thursday. Try a load and give it a go.
